The maximum payment per month per employee shall be Three Hundred Dollars (\$300.00).

An eligible employee who is working on a modified/part-time work schedule shall have the stipend pro-rated on the basis of the employee’s schedule.

Employees who leave City employment, who change employment to a classification not listed above, or who are no longer covered by this MOU shall not be eligible nor be paid the license stipend for any part of the bi-weekly pay period during which their eligibility for such allowance ceases.

An employee who is absent from work, for reasons other than authorized vacation, holiday, compensatory time off or workers' compensation for all of the regularly scheduled work hours in a pay period shall not be eligible for nor receive the license stipend for each pay period in which such absences occur.

ARTICLE 3 – LEAVES

SECTION 1: GENERAL LEAVE

This General Leave plan replaces any and all General Leave plans in effect prior to July 1, 1992.

- A. The General Leave plan is in lieu of vacation leave, sick leave, emergency leave, supplemental leave, and personal leave.
- B. General Leave may be used for any leave purpose, but its use shall be governed by the Personnel Rules dealing with leaves. Supervisors shall respond within ten (10) working days to a written request for leave in excess of three (3) working days, provided the request has been submitted within six (6) months of the date of the requested leave. Pre-approved leaves shall not be canceled except in emergency situations.
- C. There shall be two categories of General Leave:
 1. **Scheduled Leave:** Any leave that can be reasonably forecast or anticipated, i.e., vacation leave, scheduled medical/dental appointments, "extended weekends", personal leave, etc., shall require approval of the employee's supervisor a minimum of forty eight (48) hours prior to the leave unless otherwise approved by the Manager, regardless of prior notice.
 2. **Unscheduled Leave:** Any leave that is genuinely of an unanticipated nature, i.e., "sick leave," bereavement leave, etc. not approved forty eight (48) hours in advance except as provided above.

D. LEAVE ACCRUAL

Years of Service	Accruable Leave Hours Per Pay Per Year Period		Floating Holiday (non- accruable)	Max Limit on Accruable Leave Hours	Max Limit on Sick Leave Hours Rolled Over
Date of hire through 5 years of service	192	7.3846	8	288	520
5 years + 1 day through 10 years of service	216	8.3077	8	324	520
10 years + 1 day through 15 years of service	240	9.2308	8	360	520

1. Each employee's maximum accrual of General Leave hours shall be equal to one and one-half (1.5) times the employee's annual entitlement. No hours will accrue above the maximum entitlement, except as noted in paragraph 1. a. below.

- a. Employees who, on June 30, 1992, have a General Leave balance above their one and one-half (1.5) times maximum entitlement shall have an individual accrual limit which is the lesser of either:
 - (1) their actual General Leave bank balance on June 30, 1992 plus forty (40) hours; or
 - (2) their individually chosen maximum entitlement (cap), selected under the previous General Leave plan.
2. Hours accrued above the maximum general leave accrual entitlement shall be deposited into a Sick Leave Bank. The Sick Leave Bank shall not exceed 520 hours at any time.
3. Hours above the General Leave maximum accrual entitlement, as described in paragraph 1. a. above if applicable, may be maintained until such time as the hours are used and the General Leave bank balance drops below the one and one-half times (1.5) annual entitlement limit, at which time the one and one-half times (1.5) annual entitlement limit will apply. Normal accrual will continue, except that no hours shall accrue above the one and one-half times (1.5) annual entitlement limit except as provided in paragraph 2 above.

E. LIQUIDATION OF LEAVE

1. CURRENT EMPLOYEES

Effective for Fiscal Years beginning July 1, 2008 and each July 1 thereafter during the term of this Understanding:

Employees who have a combined (old and new) general leave balance of at least 75% of their maximum accruable leave at the end of the first pay period that ends in the preceding May (e.g., May 11, 2008 for the Fiscal Year beginning July 1, 2008) and have either fifteen (15) or more years of service or nineteen (19) or more years of service will have the option to make a once a year, irrevocable election to liquidate leave as set forth below. Leave may be liquidated at the employee's base hourly rate of pay in one-hour increments up to the annual maximum liquidation limit as set forth below. The applicable maximum liquidation limit will be based on the employee's years of service as of the end of the first pay period in May. This leave liquidation will be paid out in a lump sum on the first scheduled payday in the following August.

Years of Service	Maximum Accruable Leave	75% Qualifying Balance	Maximum Liquidation Limit
15 -18	396 hours	297	40 hours
19+	396 hours	297	60 hours

2. AT SEPARATION OF EMPLOYMENT

Effective July 1, 1992, upon separation from City Service, the employee shall be compensated in cash for all accrued General Leave hours as follows:

- a. The number of hours equivalent to the General Leave balance on June 30, 1992, will be the maximum number of hours that will be paid at an hourly rate based on the formula described below. If, upon termination of employment, the employee has fewer hours in the General Leave Bank than on June 30, 1992, the lesser number of hours will be paid at the rate based on the following formula:

monthly base pay plus 41.110% of monthly base pay multiplied by twelve (months in the year) divided by the number of hours in the year (e.g. 2080 hours for 40 hour per week employees).

Hours in excess of this June 30, 1992 balance will be paid at the base salary rate only upon termination. If, upon termination of employment, the employee has fewer hours in the General Leave Bank than on June 30, 1992, the lesser number of hours will be paid at the rate described above in this paragraph.

SECTION 2: USE OF SICK LEAVE BANK

- A. Employees who have a sick leave bank may use sick leave for illness involving a member of the employee's immediate family requiring the care and/or involvement of the employee. The employee's immediate family is defined as wife, husband, child, brother, sister, parent, parent-in-law, grandparents, and grandparents-in-law, except that a relative or life partner residing in the same household may, for the purpose of this section, be considered as a member of the immediate family. A life partner is an individual who is in an established, long-term committed relationship (minimum of six [6] months) with an employee.
- B. Sick leave, either with pay or without pay, shall not be allowed for any absence resulting from illness or injury arising out of and in the course of employment by the City of Fremont. If sick leave is awarded in error, the City shall be entitled to recover the amount of salary paid on account thereof. Such sick leave shall then be restored to the account of the employee upon recovery by the City of the total amount paid.
- C. Accrued time in the sick leave bank shall not be compensated for in any manner except as used for sick leave as provided for in the Personnel Rules.
- D. In establishing the Sick Leave Bank, the City reserves the right to require that the employee furnish a medical doctor's verification as to the medical necessity of any claimed use of Sick Leave in absences of three or more days.

SECTION 3: HOLIDAYS

- A. To be eligible for holiday pay an employee must be in paid status on the regularly scheduled work day before and after the designated holiday.

 Independence Day
 Labor Day
 Veteran's Day

And one Floating Holiday (8 hours); each employee will be credited with 8 hours of non-accruable leave on the effective date of this agreement and each July 1 thereafter (hours to be prorated for new employees hired after the initial crediting or hired after July 1 of succeeding years). Hours may be scheduled to be taken as mutually agreeable to the employee and the department. Unused hours may not be carried over from one year to the next.

- C. Holiday hours shall be prorated for employees that work a modified/part-time schedule.
- D. Holidays which occur on a Saturday or Sunday shall be observed as provided in the Personnel Rules and Regulations.
- E. Should the City grant all other employee groups any other national or state observed holiday(s) the City will also grant such additional holiday(s) to employees covered by this MOU.
- F. Employees having a regularly scheduled work week which includes two (2) consecutive days off:
1. If on a regularly scheduled work day: day off (holiday pay);
 2. If on a regularly scheduled day off:
 - a. if on first day of two (2) consecutive days off the employee will get the day preceding the first normally scheduled day off.
 - b. if on second day of two consecutive days off the employee will get the day after the second normally scheduled day off.
 3. If two (2) consecutive days off fall on:
 - a. days normally scheduled for work, the employee gets the days off (holiday pay).
 - b. days normally scheduled off, the employee gets the day preceding and the day after off.

- c. a day worked and the first of two regularly scheduled days off, the employee gets the day off and the next regularly scheduled work day off.
- d. a day worked and the second of two regularly scheduled days off, the employee gets the second day off and the last previously scheduled work day off.

SECTION 4: LEAVE WITHOUT PAY

Except as provided in the Family and Medical Leave Act, and the California Family Care Leave Act, an employee may not take leave without pay until all accumulated paid leave time for which the employee is eligible is exhausted, except that an employee may be granted leave without pay without exhaustion of accumulated paid leave time when recommended by the Department Head and approved by the City Manager or designee.

SECTION 5: JURY DUTY LEAVE

Leave of absence with pay shall be granted to an employee who has been called for jury duty and from which s/he cannot be excused. An employee who serves on jury duty shall be paid his/her regular salary for the period of such duty.

When a shift worker is called to jury duty, the employee's schedule will be adjusted so that the combination of jury duty and work hours do not exceed the employee's normal daily and weekly schedule. Shift worker for the purpose of this paragraph means an employee who does not work eight (8) hours per day from Monday through Friday.

SECTION 6: FAMILY LEAVE ACTS

It is the City's intent to comply fully with the requirements of the California Family Rights Act (CFRA), the federal Family and Medical Leave Act (FMLA), California requirements regarding the Pregnancy Disability Act (pregnancy leave), the City of Fremont Personnel Rules (PR&R) regarding Leave Without Pay (LWOP), and the General Leave (GL) Plan.

SECTION 7: PARENTAL LEAVE

Leaves of absence for pregnancy shall be granted to employees as follows:

A pregnant employee may continue employment as long as her health and the health of the unborn fetus would not be adversely affected by the continued performance of the duties of her position. In conformity with the California Pregnancy Disability Act, the City at any time may require information from a doctor of medicine in making the determination of employment suitability. A pregnant employee may be absent from employment for a collective period of time not to exceed four (4) months during the term of pregnancy and post pregnancy period. The employee may choose to charge any portion of this period to any of her accrued unused paid leave balances. Such absences shall only be granted for medical reasons arising from the pregnancy, the subsequent childbirth, or other termination of the pregnancy.

An adoptive parent may be absent from employment for a collective period of time not to exceed three (3) months and may charge any portion of this period to any accrued unused

paid leave balances, except that the use of any accrued sick leave must be limited to six (6) weeks (240 hours).

All absences due to pregnancy, childbirth, or other termination of pregnancy and the ability of the employee to return to work shall be subject to verification by a doctor of medicine. A pregnant employee must advise the City in writing of her intent to take pregnancy leave time off and to return to work.

Employees who comply with the foregoing shall be returned to employment with the City in the same classification with no loss of seniority or benefits accrued, but not used, prior to the commencement of such leave. Such leaves shall be administered consistent with City leave policies.

SECTION 8: PERSONAL LEAVE DONATION

In the event of a medical, personal or family emergency, employees covered under this MOU may donate or receive accrued and/or prospective leave accruals to or from other City of Fremont employees. Donations from employees and used by employees of donated leave time shall be administered through the Personal Emergency Time (PET) Bank, provided as follows:

- A. For purposes of this article, “medical, personal, or family emergency” shall mean circumstances in which an employee needs to take time off from, or reduce, their regular work schedule as the result of the illness or injury of himself or herself or illness or injury of a family member which requires their care. “Family member” shall be defined as: 1) a biological, adopted, or foster child, a step child, a legal ward under 18 years of age, and an adult dependent child over 18 years of age; 2) a biological, foster, or adoptive parent, a stepparent, a legal guardian, or a person who stood in place of a parent to the employee; 3) a spouse as defined or recognized under State law for purposes of marriage in the State of California; or 4) another relative residing in and a member of the same household or a life partner residing in the same household who is not a legal spouse.
- B. Only accrued vacation or general leave and future, unaccrued vacation or general leave may be donated. Neither sick leave nor compensatory leave time may be donated.
- C. The recipient employee will not accrue seniority during any period of donated leave usage.
- D. In order to receive donated time from the PET Bank, an employee must first exhaust all general leave, vacation leave, and sick leave banks, as applicable to the recipient employee.
- E. The point at which an employee may request use of the PET Bank shall be when all applicable leaves have been used down to an aggregate total of forty-five (45) hours and the employee anticipates that he/she will use all existing aggregate hours during the next pay period, because of the need to be absent from work more than forty-five (45) hours.

- F. The recipient employee will be responsible for payment of taxes due on the salary received when the leave is used.
- G. The donating employee cannot donate future leave accruals beyond the extent of accrued leave available at the time of donation.
- H. The donating employee cannot donate accrued leave in excess of their existing vacation or general leave balance.
- I. The City will determine whether or not a leave of absence will be approved for the recipient employee. The Family Medical Leave Act and California Family Rights Act guidelines will generally provide direction for evaluating leave requests.
- J. Neither the City nor the Bargaining Unit shall discriminate in any way with respect to the donation of accrued leave or future leave accruals based on race, religious creed, political affiliation, color, national origin, ancestry, sex, marital status, age, sexual orientation, medical condition, or physical or mental disability.
- K. In instances when the receiving employee does not use all donated hours, the hours not used will be returned to the donating employee unless the employee has requested otherwise.
- L. At the time of his/her donation, a donating employee may designate a specific recipient to receive donated hours.
- M. Employees in the Bargaining Unit may give or receive hours across bargaining unit lines consistent with reciprocating agreements with other City of Fremont bargaining units.
- N. PET Leave is intended for salary continuation only and shall not be used to pay the employee's benefits.

SECTION 9: ON THE JOB INJURY LEAVE COMPENSATION

- A. The City and the Union agree that as of December 31, 2000, the first paragraph of Personnel Rule Article XII, Section 2.01, titled Disability Leave will no longer apply to employees covered by this agreement, and will be replaced by the following provisions.
- B. A full time, permanent employee who is unable to work as a result of injury or illness determined by the City as arising out of and in the course of his/her employment with the City of Fremont, shall be paid an amount which, together with the Workers' Compensation benefits to which he/she may be entitled, shall equal:
 - 1. His/her regular rate of pay for the first sixty (60) calendar days (or hourly equivalent) of such entitlement to Workers' Compensation benefits; and
 - 2. 80% of his/her regular rate of pay for the sixty-first (61st) through three hundred sixty-fifth (365th) calendar days (or hourly equivalent) of such entitlement to Workers' Compensation benefits.

3. The above entitlement to this compensation will cease when the employee is determined to be “permanent and stationary.”
- C. If an employee is precluded from returning to work with the City of Fremont and retires (on either an industrial retirement or a service retirement) from the City of Fremont as a direct result of an on the job injury incurred on or after December 31, 2000; and he/she was paid 80% of his/her regular rate of pay, pursuant to B.2. above, for any period of time for which he/she was unable to work because of the injury/illness causing his/her retirement; then he/she may be eligible for supplemental retiree medical premium reimbursement, in addition to those provided in Article 4, Section 4 of this MOU, pursuant to the following provisions.
1. The City will determine whether or not the employee would have been entitled to a higher monthly basic retirement benefit under the Public Employment Retirement System (PERS) if he/she had been paid 100% of his/her regular rate of pay, rather than 80% of his/her base pay, for any period of time for which he/she was unable to work because of the injury/illness causing his/her retirement.
 2. If, pursuant to C.1. above, the City determines that the employee would otherwise have been entitled to a higher monthly basic retirement benefit, then the City will determine the monthly difference between the amount to which the employee would otherwise have been entitled and the amount he/she is actually eligible for under the PERS at the time of his/her retirement.
 3. Using the CalPERS Life Expectancy Tables based on the CalPERS 1993 Experience Tables, as they may be updated from time to time, the City will determine the number of years of remaining life expectancy (i.e. life expectancy – current age) of the employee.
 4. The City will then calculate the amount of monthly difference for each year of the remaining life expectancy, increasing each year’s amount over the prior year’s amount by a percentage equal to the PERS cost of living adjustment (COLA) factor in effect for the City of Fremont miscellaneous retirees at the time of the employee’s retirement.
 5. The City will then total the monthly difference amounts for each of the years, and divide this total by the number of years of remaining life expectancy. The resulting dollar amount shall be added to the retiree medical premium reimbursement amount for which the employee is eligible pursuant to Article 4, Section 4 of this MOU.

SECTION 10: BEREAVEMENT LEAVE

In the case of a death in the immediate family, an employee may be granted Bereavement Leave with pay for a period of three (3) work days falling during the period from the time of death until one day following the day of the funeral. Such Bereavement Leave will not be charged against any general leave or sick leave bank.

The employee’s immediate family is defined as wife, husband, child, brother, sister, parent, parent-in-law, grandparents, and grandparents-in-law, except that a relative or life partner

residing in the same household may, for the purpose of this section, be considered as a member of the immediate family. A life partner is an individual who is in an established, long-term committed relationship (minimum of six [6] months) with an employee.

The ABC Plan is a "cafeteria plan" as defined in Section 125 of the Internal Revenue Code.

Money not used for the purchase of medical insurance under the Plan will be paid to the employee in taxable cash up to a maximum of \$580 per month. For example: should the cost of the employees medical insurance be less than the amount of the HBA, the employee shall receive the difference between the amount of the HBA and the cost of the medical insurance. However, at no time shall an employee receive more than \$580 per month in taxable cash under the terms of this provision.

Those employees who waive the medical insurance in accordance with the provisions established by the City, shall be eligible to receive taxable cash in the amount of \$580 per month.

- E. The City's contribution (HBA) as established above shall be the maximum amount required, and the City shall not be responsible for the contribution of any sum in addition to those established by the terms of this MOU.

The coverage, exclusions and limitations of each of the City sponsored plans are those that are in force on July 1, 2000, for the purpose of description of said plans. As provided under the Public Employees Medical and Hospital Care Act (PEMHCA), medical care benefits are provided through the Public Employee's Retirement System Medical plans.

- F. Employees who elect coverage under plans offered by this agreement may also elect coverage for a domestic partner to the extent permitted by and according to the procedures of each individual plan.
- G. In the event the Federal government implements a nation-wide health care plan that mandates changes to the health and welfare programs described in this Memorandum of Understanding, the City and the Union shall agree to meet and confer in a timely manner to discuss the impact.

SECTION 2: DENTAL BENEFITS

The maximum benefit per patient per calendar year for the Delta Dental Service plan shall be Two Thousand Dollars (\$2000).

Effective January 1, 2010, the Delta Dental Plan provided to the employees may be moved out of the Health Care Employees/Employer Dental Trust provided that the benefits of the plan remain the same as provided prior to January 1, 2010. The premium amount of \$163.08, or the actual amount of the premium, whichever is less, effective January 1, 2010 shall not increase for the term of the MOU.

SECTION 3: VISION CARE

A vision care plan will be available for all employees and their eligible dependents. The plan will provide two (2) options for employees and their eligible dependents. Both plans will provide benefits which include a Ten-Dollar (\$10.00) co-pay for eye exams and a Twenty Five Dollar (\$25.00) co-pay for lenses. The standard plan will provide an eye exam every year and lenses and frames every two (2) years and the high plan will provide an eye exam and lenses every year and frames every two (2) years.

SECTION 4: RETIREE MEDICAL BENEFITS

1. Effective January 1, 2000, all current retirees and those who retire within 120 days of separation from the City, shall be eligible for reimbursement of up to \$140 per month for medical insurance premium payments actually made.
2. Effective January 1, 2004, all current retirees and those who retire within 120 days of separation from the City, shall be eligible for reimbursement of up to \$170 per month for medical insurance premium payments actually made.
3. For members employed prior to July 1, 2007 and retiring during the term of this Memorandum of Understanding within 120 days of separation from the City, the City agrees to pay an amount to the retiree up to the sum of \$300.00 per month as a retiree medical reimbursement benefit upon proof of payment of medical premiums.
4. A. An employee who is hired on or after July 1, 2007 is eligible for retiree medical premium reimbursement set forth in 4.B below provided if he/she meets the following criteria.

1. retires from the City of Fremont within 120 days of separation,
 2. is vested with CalPERS,
 3. has completed at least five (5) years of continuous service with the City,
 4. is at least age 50 or has received a CalPERS industrial disability retirement as a result of employment with the City of Fremont.
- B. The actual amount of medical premium reimbursement the City will contribute to eligible employees will be based on the employee's total years of City service as provided in the following chart.

Employee Years of Service at Retirement	City Base Contribution (\$/mo.)	Adjustment for Years of Service (\$/mo.)	Total City Contribution (\$/mo.)
0 to 5	\$0	\$0	\$0
6 to 10	\$170	\$0	\$170
11 to 19	\$170	\$60	\$230
20 or more	\$170	\$130	\$300

5. The retiree medical reimbursement benefit paid to retirees shall not exceed the actual premiums paid for medical coverage. Retirees shall furnish to the City proof of coverage and payment as required to establish eligibility under this section.
6. Employees who do not separate and retire simultaneously, will become eligible for their initial medical reimbursement payment the first of the month after providing the City proof of retirement and medical coverage.
7. The medical reimbursement amount will be reduced by the CalPERS-required employer portion of the premium if the employee purchases insurance through the CalPERS plan.

SECTION 5: LIFE INSURANCE COVERAGE

All employees covered by this MOU shall be provided Fifty Thousand Dollars (\$50,000) of group term life insurance under a program to be selected and administered by the City.

Each employee shall have the option to purchase supplemental life insurance at no cost to the City. To qualify for the purchase of additional optional supplemental life insurance, the employee will be required to meet qualifications established by the insurance carrier.

SECTION 6: SHORT TERM/LONG TERM DISABILITY PLANS

- A. The City shall maintain the salary continuation plan which is in effect as of July 1, 2009 until such time as the Short Term and Long Term Disability plans as described below are implemented.
- B. Effective January 1, 2010, the City shall secure and make available to all eligible employees ("eligible employee" shall mean employees who receive a "Health Benefit Allowance") a short term disability insurance plan under a program to be selected and administered by the City. Each employee shall have the option to purchase, at the employee's expense, short term disability insurance. To purchase the short term

disability insurance, the employee will be required to meet the following qualifications established by the insurance carrier: (1) All eligible employees will be able to enroll during the initial open enrollment period prior to implementation of the plan on January 1, 2010 (2) New employees hired after that date will be eligible to enroll during the first thirty (30) days of employment; and (3) If an employee does not enroll as provided above, the employee may apply for enrollment during open enrollment but will be subject to, if required by the insurance company, evidence of insurability, and, as a result of that process, the insurance company will make the determination on eligibility for enrollment.

Employees who elect to participate in the plan shall have the premium cost deducted from the employee's salary on an after-tax basis. The plan will provide short term disability benefits to employees who are unable to work due to a disability. The benefits shall commence on the 31st day of disability and shall continue up to a maximum of 180 days. The plan shall provide a benefit of 66.67% of the employee's salary up to a maximum salary of \$2,500.00 per week.

- C. Effective January 1, 2010, the City shall secure a plan that provides coverage to eligible employees ("eligible employee" shall mean employees who receive a "Health Benefit Allowance") for long term disability insurance under a program to be selected and administered by the City. The plan will provide disability benefits to employees who are unable to work due to a disability. The benefits shall commence on the 181st day of disability and shall continue up to a maximum age of 65, subject to the provisions of the plan. The plan shall provide a benefit of 66.67% of the employee's salary up to a maximum of \$10,000.00 per month. All eligible employees shall be enrolled in the plan. Each employee covered by the plan shall have the premium cost deducted from salary after taxes. Effective January 1, 2010, the City shall pay in each bi-weekly paycheck to each employee covered by the long term disability plan an amount equal to the cost of the long term disability premium for the term of this MOU.

SECTION 7: INSURANCE BENEFIT ADMINISTRATION

The City shall have the exclusive right to determine and select the provider or method of providing benefit plan services and the methods of providing benefits for: medical, dental or other health care benefits; life, income protection or other benefits which may be provided through insurance plans, self- insurances or similar procedures for providing such benefit plans.

If any change in benefit levels is proposed by the City, the City and the Union shall meet and confer in accordance with California Labor code Section 3500 et seq. and no change shall be made without mutual agreement.

ARTICLE 5 – RETIREMENT

SECTION 1: PUBLIC EMPLOYEES RETIREMENT SYSTEM (PERS)

- A. The compensation for all classifications covered under this MOU is reduced by a pre-tax 5.29% increase in employee contributions to the CalPERS retirement plan for Fiscal Years 2011/12 and 2012/13 which is the equivalent of a 4.25% salary reduction. This is

in addition to the existing employee retirement contribution of 8%. Because the employee contribution increase did not commence until September 12, 2011, the remaining Fiscal Year 2011/12 employee contribution is set at 6.01% to make up for the pay periods in which no increased contribution was assessed.

- B. The parties acknowledge that FACE is willing to concede to the compensation reduction stated above to the degree that the City achieves a similar concession from other miscellaneous bargaining units for Fiscal Years 2011/2012 and 2012/2013. If, as a result of labor negotiations, the City agrees to reduce any other miscellaneous bargaining unit's compensation by an amount less than a four point two five percent (4.25%) salary reduction or the equivalent thereof, the FACE classifications salary reduction will be adjusted so as to be the equivalent of the other unit. Any adjustment will be made so that the reduction will be equivalent on an overall Fiscal Year basis. Likewise, if any other miscellaneous bargaining unit, through labor negotiations, receives any additional leave days in exchange for or in conjunction with a compensation reduction for Fiscal Year 2011/2012 and 2012/2013, FACE members shall be entitled to a similar arrangement.
- C. For employees hired on or before December 31, 2011, the City agrees to continue the existing contract with PERS for employee retirement benefits which provides the 2.5% at 55 retirement formula.
- D. For employees hired on or after January 1, 2012 The PERS miscellaneous contract will provide for the 2% @ 60 retirement formula.

SECTION 2: MILITARY SERVICE CREDIT

The City shall provide the following Public Employment Retirement System optional contract provision, with the eligible employee required to contribute both the employer's and employee's contributions and interest: Military service credit, as specified in Section 20930.3 of the Government Code.

SECTION 3: CONVERSION OF EMPLOYER PAID MEMBER CONTRIBUTION TO BASE SALARY

The Fremont Association of City Employees (FACE)/SEIU Local 1021 and the City jointly acknowledge that Government Code Section 20022 defines compensation for the application of the Public Employees' Retirement Law (Government Code Section 20000 et seq.), and that the Board of Administration is expressly granted the authority to determine what constitutes compensation. The Fremont Association of City Employees (FACE)/SEIU Local 1021 hereby expressly acknowledges that the City neither represents nor guarantees that items reported hereunder as compensation will be included in the calculation of retirement benefits nor does it assume any liability for a determination by PERS or any court or adjudicatory body that an item is not compensation for the purpose of calculating retirement benefits under the California Public Employees' Retirement Act.

SECTION 4: IMPLEMENTATION OF INTERNAL REVENUE CODE SECTION 414(H)(2) EMPLOYER PICKUP

Effective July 1, 1994, the City increased base salary of employees encumbering positions in classifications represented by this bargaining unit in the amount of six and sixty-one hundredths percent (6.61%), and employees assumed responsibility for payment of the normal employee retirement contribution to the Public Employees' Retirement System (PERS). The City has designated such payment as an "Employer Pickup" as defined under the provisions of Section 414(H)(2) of the Internal Revenue Code.

SECTION 5: PERS RETIREMENT ENHANCEMENTS

ARTICLE 6 – HOURS AND SCHEDULING

SECTION 1: MEAL PERIODS

Employees in the classes of Animal Services Officer, Park Ranger, Animal Services Supervisor, and Park Ranger Supervisor, when assigned to an eight (8) or more hour workday shall have a thirty (30) minute meal period included within the hours of such scheduled workday.

It is understood that such employees shall be required to: remain on duty for the full number of hours of the workday, including said meal period; to respond to public service requirements; if on field assignment to remain in radio contact with the dispatcher; and if on duty at the animal shelter, eat their meal within the shelter building.

SECTION 2: ALTERNATE WORK SCHEDULE

An employee may request of his/her Department Head or designee to work an Alternate Work Schedule. Alternate Work Schedules shall be defined as any schedule other than eight (8) hours per day, five (5) days per week. Examples include schedules such as four (4) ten (10) hour days per week or a modified/part-time schedule such as five (5) six (6) hour days per week.

All requests for Alternate Work Schedules must be in writing and clearly identify the schedule being requested, as well as the period of time the employee wishes to work the Alternate Schedule. The Department Head (or designee) shall respond in writing to the employee within fifteen (15) calendar days of the date the employee request was received. Such response shall include the duration and conditions under which the alternate work schedule would be approved or the reason(s) for its disapproval. The duration of the Alternate Work schedule shall not be less than four (4) months.

Alternate Work Schedules may be extended for specific time periods by mutual agreement of the employee and the Department Head/designee. Upon completion of the time period specified in the agreement between the parties the employee shall return to the work schedule she/he held prior to implementation of the Alternate Schedule. In the event of unforeseeable circumstances, either party to the Alternate Schedule may, with fourteen (14) day(s) notice to the other party, discontinue the Alternate Schedule prior to the completion of its term.

SECTION 3: STANDBY TIME

No employees in the classified service who are employed in the classes of positions represented by the Union are required to perform standby duty.

In the event the City, in the future, contemplates the need of such standby duty to be performed by such employees, the parties to this MOU shall meet and confer on the issue of standby pay.

SECTION 4: MILITARY LEAVE

Military Leave shall be provided in accordance with Resolution 9713, as amended, and California Military and Veterans Code Section 395.

SECTION 5: BREAK BETWEEN SHIFTS

There shall be a minimum of eight (8) hours between the time an employee leaves work and next reports for regular duty unless otherwise agreed between the parties.

ARTICLE 7 – GRIEVANCE PROCEDURE

SECTION 1: PURPOSE

The parties recognize that disputes should be resolved expeditiously at the lowest possible administrative level. This grievance procedure is intended to meet this goal and to assure that in presenting a grievance, the grievant and/or his/her representative is assured freedom from restraint, coercion, discrimination or reprisal.

SECTION 2: DEFINITION

A grievance shall be defined as:

Any complaint concerning the interpretation or application of any ordinance, or of rules or regulations of the City or department governing personnel practices or working conditions, or of the practical consequences of a City rights' decision on wages, hours and other terms and conditions of employment; or

Any complaint arising out of or in any way involving the interpretation or application of any of the provisions of the Master Memorandum of Understanding between the Fremont Association of City Employees affiliated with SEIU Local 1021 and the City of Fremont.

An appeal from a disciplinary action taken against an employee such as dismissal, demotion, suspension, reduction in salary or transfer.

SECTION 3: EXCLUSIONS

The procedures set forth in this article shall not apply in matters where other methods of appeal have been specifically provided for in State or other applicable law, such as, but not limited to, appeal of workers' compensation claim disposition and appeal of determination of retirement status under PERS.

Written reprimand may be appealed to the City Manager within fourteen (14) calendar days of receipt. The City Manager or designee other than the Department Head involved shall review the circumstances and render a written decision within fourteen (14) calendar days of review. The decision of the City Manager/designee shall be final and conclusive. Employees may request that Letters of Reprimand be removed from their file after three (3) years, provided there is no recurrence of the same or similar incident.

Probationary employees who are rejected during probation shall have no right to appeal such action, except in cases where they allege that the termination was in violation of Title IV of the Civil Rights Act of 1964 or of other applicable State or Federal Law or Statute.

SECTION 4: GENERAL PROVISIONS

Grievances resulting from discipline which have gone through a Skelly meeting shall enter the grievance process at Step 3.

If the parties agree, other grievances may be initiated at a level higher than the initial step in the grievance procedure.

Any other dispute resolution mechanism may be substituted for this procedure upon mutual agreement between the parties prior to invoking the arbitration provisions of this article.

Nothing in these procedures shall prevent discussion or meetings between the parties at any time to clarify the facts in order to conclude the matter as promptly as possible.

Time limits prescribed herein may be extended by mutual agreement of the parties. Failure by the employee or Union to follow the time limits, unless so extended, shall nullify the grievance. If the City fails to follow the time limits, unless so extended, the employee may advance the grievance to the next step.

When an employee is asked to appear as a witness during any step of the grievance procedure, he/she shall be compensated at his/her regular rate of pay for actual time spent in such appearance during regularly scheduled working hours.

SECTION 5: PROCEDURE

It is the intent of both parties that disputes be resolved at the lowest level possible in an expeditious manner. When informal discussions do not result in a satisfactory resolution to the issue(s), the following formal procedure shall be utilized. A City of Fremont grievance submission form must be utilized in all grievance filings. Such forms shall be provided to employees by the City.

Step 1. **Formal Submission**. The employee or Union may submit the grievance in writing to the immediate supervisor within thirty (30) calendar days of the date the employee could reasonably be expected to know of the issue(s) giving rise to the grievance. The grievance shall state the specific section of the Memorandum of Understanding, or City ordinance or resolution or Personnel Rules alleged to be violated; or, the disciplinary action taken, the nature of the grievance, and the proposed resolution. The supervisor shall render a decision in writing to the employee and/or Union representative within fourteen (14) calendar days of the formal submission of the grievance. A failure to respond shall be considered a denial of the grievance.

Step 2. **Appeal to Department Head**. Should the grievance remain unresolved, the employee or Union may, within fourteen (14) calendar days after receipt of the supervisor's decision, submit the grievance in writing to the Department Head. The Department Head or his/her designated representative shall respond to the grievance in writing within fourteen (14) calendar days after receipt of the Step 2 grievance. A failure to respond shall be considered a denial of the grievance.

Step 3. **City Manager or Designee - Union Representative**. Should the grievance remain unresolved, the employee or Union representative may, within fourteen (14) calendar days after receipt of the Department Head's response, submit the grievance in writing to the City Manager. The City Manager/Designee shall meet with the Union representative within fourteen (14) calendar days of submission of the grievance at Step 3 in order to attempt to resolve the dispute. The City Manager/Designee shall issue a written decision within fourteen (14) calendar days after the date of the meeting. A failure to respond shall be considered a denial of the grievance.

Step 4. **Arbitration.** Should the grievance not be resolved to the satisfaction of the Union or the City, either party may request arbitration as the final step in the appeal process by notifying the other party of their intent to utilize the services of an arbitrator. Such notice shall be in writing and shall be provided to the other party within fourteen (14) calendar days from the date on which the City Manager/Designee's written notice of decision was received.

The Union and the City agree that the final and binding resolution of any grievance shall be by arbitration. The City Council confers to the City Manager the authority to carry out the decision of the arbitrator.

Selection of Arbitrator: Upon notice of intent to arbitrate, the Union and the City shall meet to select an arbitrator. If unable to mutually agree on the selection of an arbitrator, then a list of seven (7) arbitrators shall be obtained from the State of California Department of Industrial Relations. Nothing in this section will preclude the parties from agreeing to use a list of arbitrators provided from other sources. The parties shall initiate the selection process from the list received by flipping a coin to determine which party starts the strike out process. The parties shall then alternately strike names from the list until only one name remains and that individual shall be the arbitrator.

Decision of the Arbitrator: The decision, opinion, and award of the arbitrator shall be final and binding upon all parties, subject to review only under the provisions of California Code of Civil Procedure Section 1280 et seq. The arbitrator shall not have the power to add to, subtract from, or modify any of the terms of this Memorandum of Understanding and shall not have jurisdiction to make any award which would not have been authorized under applicable authority in the absence of this agreement to arbitrate, except by the joint prior authorization of the parties hereto.

Costs of Arbitration: The Union and the City agree to share equally all costs of the arbitrator and to be responsible for their own respective costs of making their presentation to the arbitrator. If by mutual agreement or requirement of the arbitrator, services of a court reporter are utilized, the parties agree to equally share the cost of such services.

Arbitrability: If the question of arbitrability of an issue is raised by either the Union or the City, such questions shall be determined in the first instance by the arbitrator who shall upon request of any party, make his/her determination prior to hearing the merits of the case.

ARTICLE 8 – EMPLOYMENT SERVICES

SECTION 1: POSTING AND FILLING OF POSITIONS

All City of Fremont job opportunities shall be posted on the City's internal and external websites, on bulletin boards throughout city offices, and in the Human Resources Department. Notices shall be posted and the position shall remain open for a minimum of eight (8) calendar days.

In each vacancy announcement the department will identify the selection process which may be used to fill the vacancy including any testing that may be required.

To qualify for an interview an employee must meet the minimum qualifications listed in the job announcement, including passing any required testing, or be a lateral transfer to the position. The Department will offer an interview to all internal candidates who meet these requirements.

SECTION 2: CITY COUNCIL AGENDA

The City shall provide a copy of the City Council Agenda to the Union at no cost to the Union.

SECTION 3: CLASSIFICATION AND POSITION CHANGES

The employee shall receive no less than (10) ten working days notice of an impending change in classification and/or position. Such notice shall be given in private to the affected employee.

The City shall provide advance notice to the Union of such changes; the parties shall meet and confer on the effects of such changes as may be required by general law.

SECTION 4: VARIABLE DEMAND STAFFING

A working definition of Variable Demand Staffing is work performed over an extended period, with no specific termination date, for fewer than twenty (20) hours per week. The demand for such staffing may fluctuate for reasons pertaining to service demand, method of service delivery, seasonality of the demand for service, funding source (e.g. grants), etc. Some of the work may be performed by classifications represented by the bargaining unit. Compensation is based on an hourly rate and employees are required to participate in the deferred compensation plan for part time, seasonal, and temporary employees.

The City recognizes its obligation to meet and confer on the impact of the exercise of its right to determine the nature, standard, levels, and mode of delivery of City services; and to determine the methods, means, number and kind of personnel by which those services are provided.

SECTION 5: EMPLOYEE TRANSFER/PROMOTION PROCESS

An employee who applies for a position within the City and who competes for such position through a testing process may, upon completion of the testing and scoring process, request to have a meeting with Human Resources to review and discuss the employee's test results.

Such meeting may include the employee, a representative of the Human Resources Department who is familiar with the scoring for individual applicants and the applicant may invite a representative of the Union. The purpose of the meeting will be to review the test results and provide the employee with feedback regarding the reasons for the employee's score and ranking. Employees will be notified of the opportunity to request such a meeting at the time the employee is provided with his/her score.

ARTICLE 9 – JOINT LABOR MANAGEMENT COMMITTEE

The City and the Union agree that the Joint Labor Management Committee will continue to meet and discuss a variety of topics of interest to both parties.

- C. An employee who has completed an original probationary period with the City and who accepts a provisional appointment to a position in a classification listed in Appendix "A" of the FACE Memorandum of Understanding shall be reinstated to his/her former position if he/she does not receive a probationary appointment to the position in which he/she served on a provisional basis. An employee who has completed an original probationary period shall have all rights contained in Articles 7 (Grievance Procedure) of this Memorandum of Understanding.

1. When filling allocated budgeted position vacancies in the absence of an employee on an approved leave or in a leave without pay status;
2. When staffing temporary positions established for a specific project(s) with a scheduled time of completion or specific limitation on funding;
3. When workload requirements necessitate additional staffing and a provisional or probationary appointment cannot be made due to financial, operational or workload considerations, subject to the following limitations: No such assignment shall last for more than four thousand one hundred sixty (4,160) hours worked unless the parties mutually agree to extend the assignment;
4. When filling staffing needs on a short duration basis or for tasks beyond those which can normally be accomplished by existing staff on an overtime basis. Prior to utilizing a temporary employment agency, the City will attempt to determine if there are qualified individuals from internal sources available to do the work.

Utilization of persons hired through a temporary employment agency is limited to six months duration;

6. Except as provided above, no person shall be employed on a temporary basis in a classification listed in Appendix "A" of this Memorandum of Understanding.

5. Temporary employees hired for periods which are expected to be less than 1000 hours in duration shall receive an additional 15% of base pay in lieu of benefits for the duration of the temporary appointment or until such employee becomes eligible for benefits as described in subparagraph 6 below;
6. Any temporary employee who remains employed beyond 1000 hours shall have the option to be enrolled in the full benefit package or to continue receiving the 15% benefit in lieu payments.

Enrollment in the full benefit package shall be effective the first day of the month following the date the employee attains 1000 hours of employment except that enrollment in the Public Employees Retirement System (PERS) shall begin immediately upon attainment of eligibility under the Public Employee's Retirement Law. Upon enrollment in the benefit plans, payment of the 15% benefit in lieu payments shall cease. Additionally, the employee shall be credited with general leave and holiday time (for any holidays which occurred in the first 1,000 hours of work), equal to the amount which would have accumulated by the employee during the period prior to implementation of benefits.

SECTION 3: RESOLUTION OF DISPUTES

Employees covered by this Article and who are employed for more than 520 hours shall have the right to Union representation in resolving a dispute concerning the interpretation or application of the FACE Memorandum of Understanding, City ordinance or resolution, or the Personnel Rules. The ruling of the Department Head shall be final. SECTION 2: SEVERABILITY OF PROVISIONS

Should any section, clause or provision thereof of this MOU be declared illegal by final judgment of a court of competent jurisdiction, such a determination shall not invalidate the remaining portions hereof, and all remaining portions shall remain in full force and effect for the duration of this MOU. APPENDIX B

**LETTER OF AGREEMENT
BETWEEN
THE CITY OF FREMONT
AND
FREMONT ASSOCIATION OF CITY EMPLOYEES (FACE)/SEIU 1021
REGARDING POLICE AIDES AND POLICE AIDE COORDINATOR**

The City of Fremont, a municipal corporation (hereafter referred to as "City") and the Fremont Association of City Employees/SEIU Local 1021 (hereafter referred to as "FACE"), agree to the following regarding representation of approximately ten (10) part-time and one (1) full time positions performing reception duties at the front counter in the Police Department. This Letter of Agreement complies with the provisions of Section 3500, et. seq., of the California Government Code, and Chapter 4.5, Title 2 of the Fremont Municipal Code, in that the employer and employee representatives noted herein did meet and confer in good faith and did reach agreement.

SECTION 1: REPRESENTATION

- A. The job title for temporary, part-time positions at the front counter in the Police Department shall be Police Aide. These positions shall be represented by FACE.
- B. The job title for one Police Department temporary, full time position shall be Police Aide Coordinator.

SECTION 2: HOURS, WAGES AND BENEFITS

- A. Hours of work vary, with the average being 18 hours per week for Police Aides and 40 hours per week for the Police Aide Coordinator. Shifts for Police Aides vary, with the average being three 6-hour shifts per week. Police Aides generally do not exceed 999 hours of work in a fiscal year. If the 999 hour limit is exceeded, PERS membership starts at 1,000 hours.
- B. The hourly rate for Police Aides is based on a five (5) step range consisting of the following hourly rates effective July 1, 2000: \$9.09 - \$9.63 - \$10.16 - \$10.70 - \$11.24. The hourly rate for the Police Aide Coordinator is based on a five (5) step range consisting of the following hourly rates effective July 1, 2000: \$10.70 - \$11.51 - \$12.31 - \$13.12 - \$13.92. Employees shall advance from step to step to the top of the range, with a one step advancement for each 1040 regular, non-overtime hours worked.
- C. Hours worked over eight (8) hours in a day or forty (40) hours in a work week result in overtime being paid at one and one-half times the employee's straight-time, base hourly rate. Overtime will be paid for more than 8 consecutive hours of work or when more than 8 hours are worked within a 24 hour period from midnight to midnight.

- D. The City shall provide two uniforms and a sweater/sweatshirt for Police Aides and the Police Aide Coordinator.
- E. The Police Aide Coordinator will be provided the standard FACE benefit package for full time employees.
- F. The probationary period of employment for Police Aides and Police Aide Coordinators is 1040 regular, non-overtime hours of employment. This provision will be applied retroactively at the time of implementation, effective January 1, 1999.
- G. In the event of a layoff, layoffs will be implemented by seniority within the affected group, providing the remaining employees are available to work the hours needed.
- H. Holiday Pay – Hours worked during all Holidays are defined in the MOU, Article 3, Section 4-a, will be paid at one and one-half times the employee's straight-time, base hourly rate. When a holiday falls on a weekend, the one and one-half times base hourly rate will be paid for the actual holiday. The one and one-half times base hourly rate is the maximum that will be paid on holidays.
- I. If an employee is hired into a regular position with the City of Fremont following more than two (2) years of continuous service in the classification of Police Aide, seniority earned as a Police Aide shall be included in the total seniority accumulation for that employee.

SECTION 3: DISCIPLINARY ACTIONS AND DISCIPLINARY APPEAL

- A. The disciplinary process is as noted unless the offense is of a nature that would warrant immediate notice of termination:
 - 1. First written reprimand;
 - 2. Second written reprimand
 - 3. Dismissal
- B. Employees can only appeal dismissal. The dismissal appeal can include appeal of previous written reprimand(s) if the employee has previously rebutted the reprimand in writing within ten (10) calendar days of the issuance of the written reprimand. Dismissal action must be appealed within ten (10) calendar days of the notice of appeal.
- C. Appeal is heard by a three (3) member panel comprised of City of Fremont employees. The panel will convene within ten (10) calendar days of appeal unless the parties mutually agree to extend the time. The decision of the panel is made anonymously and the decision to terminate is either sustained or denied.

- D. The panel of three will be selected from a total of eight (8) City of Fremont employees who were mutually selected by the City and Union to be available for hearing. Eight (8) employees shall receive training from the Union and City jointly on discipline standards: i.e., the panel should be able to determine whether or not the “act” happened but the panel should not be discussing or deciding what standard should be applied.
- E. The panel decides the issue based on the record and written presentation of argument from the City and Union. Written argument will not exceed three (3) pages per party (City and FACE). The panel may call witnesses if the issue of credibility exists. The panel may examine witnesses. The panel decides by majority vote. The decision of the panel is final and binding.
- F. The panel shall render a written decision within twenty (20) calendar days of the review of the appeal.

SECTION 4: MISCELLANEOUS PROVISIONS

Employees will select shifts during each bidding period on the basis of seniority. Employees shall select two (2) or three (3) shifts per week. For operational reasons, the Records Administrator, shall ask, in seniority order, Police Aides who have selected two (2) shifts per week to sign up for three (3) shifts per week. If no Police Aides who have selected two (2) shifts per week volunteer to work three (3) shifts per week, the Records Administrator shall assign the Police Aide(s) with the least seniority to work three (3) shifts per week.

An employee may elect to assume status as an 'alternate'. In such case, the employee will not select any shifts for the scheduling period. **LETTER OF AGREEMENT BETWEEN THE CITY OF FREMONT
AND
THE FREMONT ASSOCIATION OF CITY EMPLOYEES
FACE/SEIU LOCAL 1021
REGARDING THE TINY TOTS SPECIALISTS**

The City of Fremont, a municipal corporation (hereinafter referred to as “the City”) and the Fremont Association of City Employees/SEIU 1021 (hereinafter referred to as “FACE”) agree to the following terms regarding employees of the City holding positions in the classification of Tiny Tots Specialists. The Letter of Agreement complies with the provisions of Section 3500, et seq., of the California Government Code, and Chapter 4.5 Title 2 of the Fremont Municipal Code, in that the employer and the employee representatives noted herein did meet and confer in good faith and did reach agreement.

The following terms and conditions of scheduling (including Attachment 2 Summer Vacation Side Letter) shall become effective June 1, 2011.

1. Tiny Tots Specialists shall be paid for all hours actually worked.
2. Each Specialist shall be provided a schedule which totals 1600 hours per year. Such schedule shall include a school year schedule, a summer schedule and the remaining hours will be scheduled during the non-session weeks. Paid holiday hours and prep hours during school and summer session shall be included in the 1600 hour total.
3. Work which is scheduled during the non-session weeks shall be consistent with the job description of the Tiny Tot Specialist.
4. Employees shall be paid 2.5 hours of prep time each week that classes are in session. Such hours shall be recorded on the employee’s time sheet.
5. General leave accrual rate shall be based on hours worked.
6. Insurance benefits will be prorated at 76.9% (1600 hours) for each month of the year.
7. Holidays will be paid on a pro-rated basis of 76.9% (6.152 hours for each holiday).
8. Paid time off will be scheduled in an amount to cover the hours normally scheduled during the week in which the time is taken.

9. Effective upon implementation of this agreement, a final reconciliation of HBA benefit will be done for each current Tiny Tot Specialist. Each employee's actual hours from date of hire to effective date of this agreement shall be calculated and compared to the number of hours used to calculate HBA benefit allowance during the same time period. If the hours actually worked exceed the amount used to calculate the HBA benefit, the employee will be paid any additional HBA benefit which should have been paid based on the higher hours. If the hours actually worked were less than the amount used to calculate HBA benefit, the employee will reimburse the City for any overpayment.

Subject: Prep time

As you are aware, part of the Union negotiations for the upcoming contract addressed the allocation for prep hours.

On June 27th, 2000 Union representatives, Specialist staff and Recreation staff agreed to allocate some of the 55 hours of prep or class time before the beginning of the first 12-week session.

Per that agreement, the following formula has been developed:
 $\frac{1}{2}$ an hour will be added for prep time per week per 2.5 to 3.5 hour class or a combination of 2 smaller classes that equal this amount.

Following are the changes in prep time based on the above mentioned formula:

Pauline Kirkland - Jackson
 $.5 \times 3 \text{ classes} \times 4 \text{ weeks} = 6 \text{ hours per month}$

Donna Alexander
 $.5 \times 3 \text{ classes} \times 4 \text{ weeks} = 6 \text{ hours per month}$

Margie Vancil
 $.5 \times 4 \text{ classes} \times 4 \text{ weeks} = 8 \text{ hours per month}$

Joanne Sprenkel
 $.5 \times 5 \text{ classes} \times 4 \text{ weeks} = 10 \text{ hours per month}$

Any hours beyond those listed above must be pre-approved by the Tiny Tot Supervisor (i.e. parent meetings, workshop attendance, etc.).
Previous prep time was 5 hours per month.

In addition a part time coordinator has been hired to assist the Tiny Tot Recreation Supervisor with the day to day administration of the paper work and contact a n emergency substitute teacher for the program when need arrives. This person is on duty every day from 7:00 am to 11:00 a.m. Tiny Tot specialists no longer have to make multiple phone calls for emergency coverage.

Please also note, a substitute Tiny Tot Specialist has been hired to be the number one backup in an emergency or to cover vacation request. In addition, this position will assume some of the previous duties of the Tiny Tot Specialist, such as photo copying/printing classroom materials, picking up/returning reference books from the library and support the part time coordinator when needed.

Lastly, since our meeting, the Tiny Tot Specialist reviewed the process for taking roll and discovered it was a very time consuming process. Therefore, Tiny Tot Specialist are also no longer required to transfer the names of the participants onto roster forms. Roll will be taken each day from the computer printout list that is provided at the beginning of each class session.

Management believes that these first steps will go a long way in resolving some of the issues identified in the negotiation meetings. As previously agreed upon, before the end of the second 12-week session, we will reexamine together how changes are working for one another.

Should you have any questions regarding this matter, please do not hesitate to contact me. I can be reached at 494-4330.

Subject: Summer Vacation Time

As you are aware, part of the Union negotiations for the upcoming contract addressed the request for summer vacation time.

On June 21, 2000 Union representatives, Specialist staff and Recreation staff agreed to the following practice:

- All Tiny Tot Specialist staff are allowed one week off at a time in summer session excluding 1st and 2nd week of a session, or all 4-weeks
- Only one Specialist can be off at a time, unless other quality coverage is available as determined by management
- All summer vacation requests will be turned in by the end of February. The Tiny Tot Supervisor will notify the Specialist staff the status of their request by March 7.
- If two people request the same time off, grant for leave will be based on seniority (date of hire to permanent position). Rotation will then occur with next senior person in line.

Should an individual need confirmation for their vacation leave prior to the March date and the individual is aware that they have least seniority on the hiring list, that individual can solicit from the more senior staff a waiver verifying that their leave request will not coincide with the other Specialist request.

Should you have any questions regarding this matter, please do not hesitate to call. I can be reached at 494-4330.
